

NAME: Nocturna

GENDER: Female

DATE OF BIRTH: April 3, 2024

FUR LENGTH: Short

COLOR: Dark tortie w/white bib

Purrsonality: I am a happy and curious girl. I have a lot of energy and am active, but don't really play with other cats at the café. I like to spend my time making my own fun and playing with the people that come into the café, so I will need an adopter who can spend the time exercising me to get my energy expended before naptime.

Children? I would do well with respectful kids of any age.

Other cats? I am hissy with the other café kitties, so I would probably do best as a single cat.

Dogs? I should do well with friendly dogs.

Background: Nocturna was found as a stray kitten living in a trailer park in West Virginia. She was friendly so taken into rescue where she can find her forever home.

Medical or special care notes: Nocturna is vaccinated for rabies and distemper, microchipped, and has been spayed. She has tested negative for FeLV and FIV. She is eating Fancy Feast classic pate and Purina One kibble.
