

NAME: Macho

GENDER: Male

DATE OF BIRTH: September 3, 2022

FUR LENGTH: Short

COLOR: Dark grey tabby

Purrsonality: Macho is a sweet and friendly kitty who has been through a lot, so may need time to trust people again. He is frightened of loud noises and yelling so will need a quiet, calm and loving energy in his new home. He likes to cuddle with his human.

Children? Macho should do well with respectful kids ages 12+.

Other cats? Macho would do well with other cats but can go as an only cat.

Dogs? Macho has never been tested with dogs but given his young age should be adaptable if the resident dogs are calm and friendly.

Background: Macho's human mother was being physically and verbally abused by her boyfriend. He would also throw things at Macho and yell at him. Macho would run and hide and would not come out to eat because he was so scared. When his human mom escaped the home, her abuser threatened to kill Macho to punish her. She snuck back when he was at work and took Macho to a rescue, then got herself to a safe house for domestic violence victims.

Medical or special care notes: Macho has had vaccinations for rabies and distemper, is microchipped, and has been neutered. He has tested negative for FeLV and FIV. He is eating Fancy Feast classic pate and Purina One kibble.
